

# *Choosing One Of The 200+ Profitable Niche Markets Below Eliminates The Stupid Research Process*

Below are 200+ profitable online niche markets separated into the 5 main categories that all profitable niche markets fall into:

- 1. Money** (Business, Employment, Investing, Gambling etc).
- 2. Health & Fitness** (Medical Conditions, Diet & Weight Loss, Addictions etc).
- 3. Dating & Relationships** (Sex, Love, Family, Marriage, etc)
- 4. General Interest** (Hobbies, Skills, Activities and Interests etc).
- 5. Religion & Spirituality** (Belief).

Think about it; almost everyone needs money, wants to be healthy, to have meaningful relationships, is interested in something and has some sort of religious or spiritual beliefs.

So any topic relating to these categories is lucrative.

Each of these 200+ niche ideas has been extensively researched (the full reports are available in [NicheHacks Insider](#)) so you can be assured each one is 100% profitable.

Also, I've included niche markets here that for the most part work with all the major online business / income models including:

- Affiliate Marketing.
- Blogging.
- Authority Sites.
- Membership Sites.
- Digital Products.

All of these business models are covered extensively within [NicheHacks Insider in the Business Blueprint section](#) if you need a blueprint to get started.
